#### AGENDA

0) Brief introduction of participants to the meeting

Participants introduce themselves and their role in the network. Jean-Paul Brasselet introduces Professor Kaneko, Dean of the Faculty of Mathematics, Kyushu University, who signed the Agreement during the Inauguration Ceremony.

1) Information on the GDRI

- creation process
- final version of the Agreement
- signature process

History of the creation of the GDRI is reminded as well as the process of Agreement and signatures. Emphasize is given on the role of the International Direction in CNRS and the role of INSMI in CNRS, which provide the necessary support for the creation.

The participating teams have been selected according to their interest in relationship with the two partner countries. Possible omissions will be corrected in the next future.

2) The committees (members - role)

- Management Committee
- Steering Committee

*See the Agreement.*

3) Activities of the GDRI in 2012 and 2013.

2012. Support will be given to the following events:

- Japan-Vietnam Workshop JSPS/VAST in Dalat (March)
- SMF/SMV meeting in Hu (August),
