Numerical Methods for PDEs:
Discretization, Iterative Solution and Parallelization

July-December, 2022

11th Conference on Parallel-in-time Integration

PinT 2022

11-15 July 2022

Research in pairs
Discrete factures network
5-9 December 2022

Research school
Domain Decomposition for Optimal Control Problems
5-9 Sept 2022

Research in pairs
Optimized Discrete Schwarz Methods for Anisotropic Elliptic Problems
23-28 Oct 2022

Workshop
Discrete Duality Finite Volume Method and Applications
17-21 Oct 2022
